

# LCI Dance Academy Auditions Contract

LCI is excited to open auditions for the 2025/2026 school year. Mrs. Olson has long maintained an energetic and engaging dance program that is open to all students to participate in. Although we wish we had unlimited time and resources for this program, space is limited and thus the audition process is necessary. The selection process is carried out by a panel of three experts who will then collectively decide who will be granted a spot within the LCI Dance Academy.

***This is a fun and exciting opportunity for students, and we wish all participants the best. Having said that, we also know the audition process can sometimes be contentious and therefore carries some significant responsibilities that must be agreed upon prior to auditioning:***

## **1) Respectful Communication:**

The student/parent/guardian agrees to communicate respectfully with the academy's directors, staff and instructors at all times. All conversations whether verbal or otherwise must maintain a feeling of mutual respect and must be constructive in nature. Any form of harassment or bullying, whether in person, by phone, email, or social media will not be tolerated. We are committed to maintaining a positive and professional environment for all stakeholders.

## **2) Audition Results**

The student/parent/guardian understands that all audition results are final. The audition is conducted in a workshop format with a multiple person panel. This means that auditions are designed to assess a dancer's skills and potential within a group setting, rather than through one-on-one evaluations. As a result, providing individualized feedback on the audition results is not feasible. The decisions made during the audition are based on various factors, and due to the nature of the workshop format, no additional details or explanations about the results will be shared; nor will any feedback or notes be provided.

## **3) No Appeals or Follow-Up**

The student/parent/guardian agrees not to seek further clarification or challenge audition decisions. This policy is in place to ensure fairness and maintains a focused and constructive environment for all dancers.

## **4) Support for a Positive Environment**

The LCI Dance Academy is dedicated to fostering a supportive, inclusive, and professional atmosphere for all students and their families. We kindly request the Parent/Guardian's cooperation in maintaining a respectful and positive experience for everyone involved.

***By signing below, the parent/guardian acknowledges that they have read, understood, and agree to abide by the terms outlined above.***
