

# **LCI Dance Academy Auditions Contract**

## **Dear Parents and Guardians,**

LCI is excited to open auditions for the 2025-2026 school year! At our school, we take great pride in providing an engaging and dynamic dance program led by Mrs. Olsen, where students can develop their skills, creativity, and passion for dance. Our Dance Academy is a wonderful opportunity for students to challenge themselves, grow as performers, and be part of a supportive and inspiring community.

While we would love to offer a place to every student who auditions, space is limited. To ensure a fair and thoughtful selection process, auditions will be conducted by a panel of three experienced professionals who will evaluate each student's skills and potential in a group setting.

***We understand that auditions can be both exciting and nerve-wracking, and we are committed to making the process as positive and supportive as possible. To maintain a respectful and uplifting environment for all students, families, and staff, we ask for your understanding and agreement with the following expectations:***

### **1) Respectful Communication**

*We value open and constructive communication among students, parents, and staff. We ask that all interactions—whether in person, by phone, email, or on social media—remain respectful and considerate. Our goal is to foster a positive and professional environment where every student feels encouraged and supported.*

### **2) Understanding Audition Results**

*The audition process is designed to assess students in a group setting, allowing our panel to consider a range of factors when making selections. While we celebrate every student's effort and dedication, we want to be transparent that individual feedback will not be provided due to the nature of the evaluation process.*

### **3) Final Decisions**

*To ensure fairness, all audition results are final. We appreciate your trust in our selection process and kindly ask that families respect these decisions without requesting additional clarification or appeals.*

### **4) Promoting a Positive Experience**

*Above all, the LCI Dance Academy is dedicated to creating a welcoming and supportive space where students can thrive. We appreciate the partnership of parents and guardians in helping us maintain an encouraging and uplifting experience for all participants.*

*We are excited for the upcoming auditions and look forward to seeing each student shine! Thank you for your support in making this a rewarding experience for all involved.*
